

# Datenbanksysteme

Maisa Ben Salah, Yecine Megdiche

Homework 1

Munich, 25 October 2021

# Data Privacy

- **Challenge:**

- Secret ballot: No association between a voter and their ballot

# Data Privacy

- **Challenge:**

- Secret ballot: No association between a voter and their ballot

- **Solution:**

- Personal data not saved
  - Anonymized identity

# Using DBMS

- **Pros:**

- Efficiency
- Multi-user synchronization
- Standardization
- Abstraction
- Data consistency and integrity
- Backup and recovery
- Security

# Using DBMS

- **Pros:**

- Efficiency
- Multi-user synchronization
- Standardization
- Abstraction
- Data consistency and integrity
- Backup and recovery
- Security

- **Cons:**

Someone has to implement it 😊

# Data Model
